

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Including Chapter Reports received up to June 1, 1917.

OFFICIAL ANNOUNCEMENTS

QUARTER CENTURY RECORD AND HISTORY

According to the instructions given by the General Convention, a copy will be sent prepaid on receipt of \$2.50.

SIGMA XI QUARTERLY

Title Page and Table of Contents for Volume I, II, III, or IV will be sent members or subscribers on request. A few extra copies of these volumes are to be had at the regular subscription price. Odd numbers will be sent members to fill gaps as long as the supply holds out.

PRINTED BLANKS

The General Convention has instructed the Secretary to keep for chapters a supply of printed blanks as enumerated below. According to instructions these are to be forwarded to chapters under the following stipulations:

Membership Certificates, stamped with the great seal of the Society. In packages of fifty prepaid, on advance payment of \$2.50 for each package.

Index Cards, on the condition that a duplicate set be sent for the general index of the Society maintained in the secretary's office. Gratis on demand.

Statistical Record Blanks, for submitting annual reports giving chapter officers, elections, and other statistical data. Gratis on demand.

Mailing Blanks, on which secretaries are requested to furnish once a year a correct list of mailing addresses of active members to be transmitted directly to the printer. Gratis on demand.

The mailing list should be sent to the General Secretary early in September and be valid for the academic year. The attention of secretaries is called to the fact that all changes of address or other correspondence concerning the QUARTERLY should be addressed to the General Secretary and not to the printing firm.

WANTED

Extra copies of the December, 1916, number. The secretary will be indebted for any copies which may be available in the different chapters, in order to increase the meager supply in his office resulting from the misunderstanding in regard to chapter mailing lists. Please send copies to Henry B. Ward, University of Illinois, Urbana.
